A GLIMPSE AT 2010

WELCOME NEW ASSOCIATES

In 2010 the firm was pleased to welcome two new associates to our Litigation and Corporate practice groups.

L. Lucy Brandon has joined the firm's Products Liability, Transportation and Toxic Tort Litigation practice group. Lucy focuses on products liability, personal injury defense and general civil litigation. She is a 2010 graduate of the Washington & Lee University School of Law and earned her B.A. degree in English and Political Science from Virginia Tech in 2007.

John E. Pearson has joined the firm's Corporate, Securities and Finance practice group. John focuses on mergers and acquisitions, partnership and LLC ventures and general corporate work. He is a 2010 graduate of the William & Mary School of Law and earned his B.A. degree in Economics from the University of Virginia in 1998.

A few years ago we concluded that the best way to serve our clients, as well as attract and retain the most talented attorneys and other personnel, was to remain an independent law firm serving local, national and international clients out of our Virginia offices.

In 2010 we implemented one component of this long-term strategy by relocating to the new Wells Fargo Center.

Spanning two stories, our new office provides additional space for our continued growth and enables us to provide the highest level of client service more efficiently. One key element is a spacious, state-of-the-art conference center available for client briefings and seminars. The move also provided us with the opportunity to upgrade our technology infrastructure to better serve our clients.

We invite you to experience this with us.
